D. No. 210 Deputy Commissioner's Office
Bangalore 16th August 1894.

From

The Deputy Commissioner
Bangalore District

To

The Chief Secretary,
to the Dewan of Mysore.

Sir,

There is a small garden at Kankanhally maintained by the local Municipality. It measures 14 gunters and contains 20 Rajpat mango, 7 Pomegranite, 2 Guava, 3 Nim, 2 Bagi and 3 Casuarina trees. I have seen the garden. It is by no means whatever a place of recreation. Its maintenance entails an expenditure which can, in no sense, be a legitimate charge on the Municipal Funds. I think, the garden had better be sold: the Municipal Commissioners are agreeable to it.

2.

Under these circumstances, I beg to solicit sanction to dispose of the garden by public auction

I have the honor to be,
Sir,
Your most obedient Servant.

for Deputy Commissioner

To The Dr Commr,
Bangalore &c

Sir: —

I am directed to forward herewith a letter dated 1st August 1894 No 210 from the Secretary of the Bangalore District Municipal Board stating that the maintenance of the Municipal garden at Rashtrapathy, which is used as a garden, is not remunerative; and that it entails an unnecessary expenditure upon Municipal funds, and requesting sanction to the garden being sold in accordance with the wishes of the Municipal Board.

With reference to the above the Dr Commr is requested to report at an early date (1) what the receipts from the garden are at present, (2) what its expenditure is, (3) what it would yield if it is rented out, and (4) what price it would fetch if sold. Bs. Bs. 20/1/95

What is the cost of maintenance of the garden now? Is it to be kept up at the present standard? If not, what is the cost to be kept up? What is the rent of the land (Mr. Lee order return) if let out?
